

Bug Report #1

Priority: high

Platform: Google Chrome 123.0.6312.106

Severity: Minor

OS: Windows

Reproducibility: always

OS Version: 10x64

Summary: The warning messages are not displayed in the registration form after entering the invalid data

Description: The warning messages are not displayed in the registration form after entering the invalid data

Steps To Reproduce:

1. Go to the site: <https://openspaces.azurewebsites.net/OpenSpace>
2. Click the 'Register' button in the navbar
3. Enter the invalid data into the fields
4. Click the 'Sign Up' button
5. Pay attention to the result

Actual result: The warning messages are not displayed in the registration form after entering the invalid data

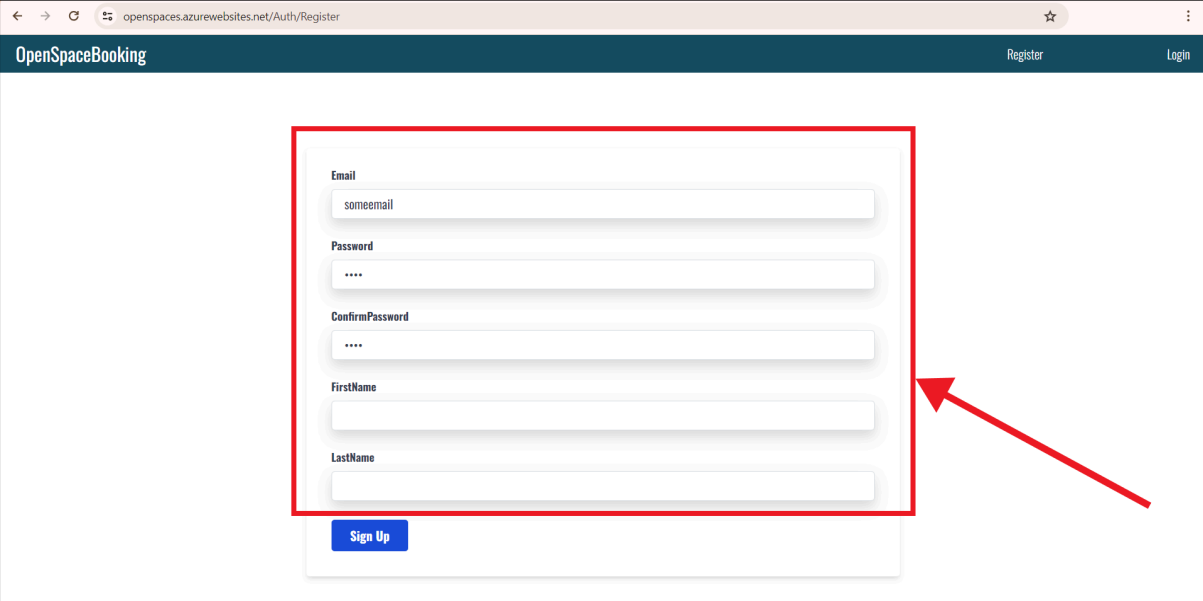

Expected result: The warning messages are displayed correctly in the registration form after entering the invalid data

Additional information:

The bug is also reproduced in:

1. Opera 108.0.5067.40
2. Microsoft Edge 123.0.2420.81

Attachment:

The screenshot shows a web browser window with the URL openspaces.azurewebsites.net/Auth/Register. The page has a dark blue header with the text "OpenSpaceBooking" on the left, and "Register" and "Login" links on the right. The main content area contains a registration form with the following fields: "Email" (containing "someemail"), "Password" (containing four dots), "ConfirmPassword" (containing four dots), "FirstName", and "LastName". A blue "Sign Up" button is located below the form. A red rectangular box highlights the entire form area, and a red arrow points from the right side of the box towards the right edge of the browser window.

Bug Report #2

Priority: high

Platform: Google Chrome 123.0.6312.106

Severity: Blocker

OS: Windows

Reproducibility: always

OS Version: 10x64

Summary: The confirmation link is not sent to the mailbox in the 'Reset Password' form after entering the email

Description: The confirmation link is not sent to the mailbox in the 'Reset Password' form after entering the email

Steps To Reproduce:

1. Go to the site: <https://openspaces.azurewebsites.net/OpenSpace>
2. Click the 'Login' button in the navbar
3. Click the 'Forgot Password' button
4. Enter the valid email into the field and submit
5. Pay attention to the email in the mailbox

Actual result: The confirmation link is not sent to the mailbox in the 'Reset Password' form after entering the email

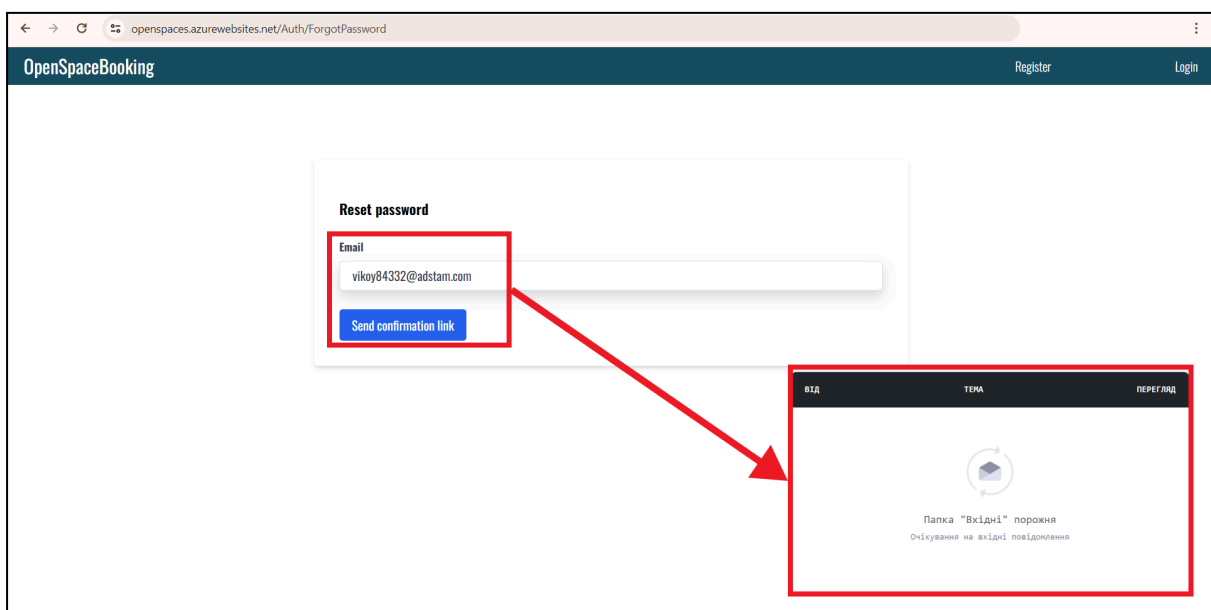

Expected result: The confirmation link is sent to the mailbox in the 'Reset Password' form after entering the email

Additional information:

The bug is also reproduced in:

1. Opera 108.0.5067.40
2. Microsoft Edge 123.0.2420.81

5. Pay attention to the workspace's information

Actual result: The edited workspace is displayed with the old data on the main page after updating its information

Expected result: The edited workspace is displayed with the new data on the main page after updating its information

Additional information:

The bug is also reproduced in:

1. Opera 108.0.5067.40
2. Microsoft Edge 123.0.2420.81

Attachment:

The screenshot shows a web application interface for managing workspaces. On the left, there is a form to update a workspace. The form fields are: Address (вул Городоцька 122), PricePerHour (13), ImageUrl (https://images.inc.com/uploaded_files/image/1920x1080/getty_517610514_353435.jpg), Title (Updated Title Work Space #1), Description (Best open space ever), StartProgram (9-00), and EndProgram (18-00). A blue 'Update' button is at the bottom of the form. On the right, there is a workspace card for 'Work Space #1' with 'Id: 7', 'Schedule: 9-00 to 18-00', and 'Price per hour: 13'. The card also has 'Delete' and 'Update' buttons. A red box highlights the 'Title' field in the form and the 'Work Space #1' card, with a red arrow pointing from the form field to the card, indicating the bug where the old data is displayed after an update.
