

Unit, integration and UI tests, automatically run

and connected to CI/CD

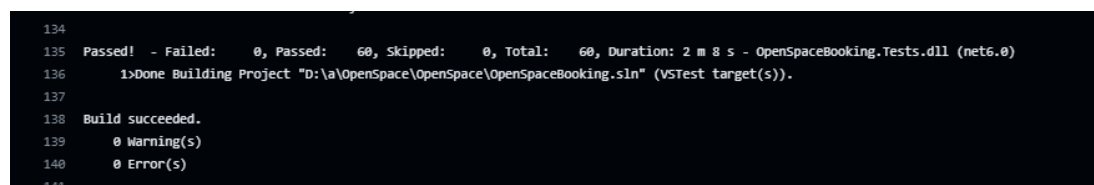

Implemented Unit, integration and UI tests can be found here (more than 50):

<https://github.com/SolomiiaMatiichuk/OpenSpace/tree/main/OpenSpaceBooking.Tests/Tests>

Here are locally executed and passed unit tests (AuthenticationTests, OpenSpaceUnitTests, ReservationUnitTests), ui tests (UITests), integration tests (IntegrationTests).

All tests were connected to CI/CD and are executed within pipeline:
