Follow this link to see the "OpenSpace" project wireframes, mockups, and clickable prototypes:

https://www.figma.com/file/pzCh1m4TB0mHhXrPJCrsjO/OpenSpace---Wireframes%2C-Mockups%2C-Clickable-Prototypes?type=design&node-id=0%3A1&mode=design&t=Rs53Wt9HIT8gYNdG-1

Click the button in the upper left corner to choose which option to see:

On the "Clickable Prototypes" page, click the button in the upper right corner to go to the preview mode:

In the preview mode, click the "Options" button and choose the "Fit to screen" option. On the left panel, you can choose the start point.
